FEDERAL INSPECTOR COMING TO INSPECT LOCAL DAIRIES

Federal Expert Will Be Here the First of July to Inspect Free of Charge All Dairy Herds Furnishing Milk to Maysville.

Dr. E. M. Stemmler, of Frankfort, Federal Veterinary Inspector for this state, was in Maysville today in conference with County Health Officer Rice in regard to making tuberculin tests of dairy cattle in Mason county which furnish milk for consumption in Maysville.

Dr. Stemmler will return to Maysville about the first of July and will remain here for some time when he will inspect, free of charge, all dairy cows in the county, whose owners desire him to inspect them in accordance with the city's milk license ordinance.

Those who desire the services of Dr. Stemmler should file their request with the City and County Health Department at the office in Court street.

Dr. Rice this morning said that data gathered by the American Medical Association showed that 24 per cent of all tuberculosis in children was caused through milk from tuberculin cows.

STABLES BURNED IN EARLY MORNING BLAZE; LOSS HEAVY

Coughlin Stables Burn This Morning and One Valuable Horse Loses Life—Other Loss Is Heavy.

The stables of Messrs. Jack and Thomas Coughlin in the alley West of the Central Presbyterian church and in the rear of Mr. Jack Coughlin's home, caught fire from some unknown cause this morning at about 4 o'clock and made one of the largest and most disastrous fires Maysville has had in some time.

The second story of the Jack Coughlin barn was burned and a large amount of hay and other feed with it but the nine horses on the first floor were brought out safely. The fire spread to the Thomas Coughlin barn adjoining and it destroyed this smaller barn entirely burning a valuable mare used by Coughlin Sisters in their grocery wagon, the wagon and a cart. Young men returning from a dance came to the rescue of the horses in the barn and removed them although after they had been turned loose on the street some made attempts to get back into the burning building.

It is reported that efforts were made to reach the fire department by telephone for about ten minutes before the alarm was sent in over a street alarm box but those attempting to do the telephoning were unable to get Central. This matter is being investigated thoroughly by Mayor Russell.

Both burned buildings were insured but the loss will be more than the amount of insurance it is thought. The cause of the fire was yet unknown late this afternoon.

MT. OLIVET BUSINESS IS DEVELOPING

The business between this city and Mt. Olivet, the county seat of Robertson county, is developing rapidly. The daily mail route is being handled by Mr. Ben Middleman, who has procured a large automobile truck and he is able to carry a large amount of freight as well as many passengers on his daily trips.

BIG FORCE MAKING OUT COUNTY TAX RECEIPTS

As there is but a short time left in which to make out the county tax receipts and as it is one of the biggest jobs of the year, County Clerk James Owens has a large force of clerks at work making out the blanks so that they will be ready to turn over to the sheriff in due time. The figuring of each blank separately makes quite a big job.

Mr. W. W. Willocks left yesterday for Chillicothe, Ohio, after a short visit with his mother. He was accompanied as far as Cincinnati by his brother, Bobby, who will spend several days in the Queen City.

REPORT THAT ENEMY HAD ACCEPTED TERMS IS NOT CONFIRMED

Official Statement Issued at Berlin Says Terms Are Unbearable to Germans.

London, June 20.—An Exchange Telegraph despatch from Paris this afternoon reported the German Government at Weimar had accepted the peace treaty.

No confirmation of the above despatch has been received from any source.

Berlin, June 20.—"The government's attitude after reading the full text of the allies' reply to the counter-proposals is unchanged," an official statement said today.

"The terms are unbearable and cannot be fulfilled." Considerable significance was attached in political circles here to the fact that the statement did not reiterate that the terms are "unacceptable."

The Independent Socialists published today a proclamation demanding that the government sign the treaty.

Coblenz, June 19.—The American army's main objective, in case Germany decides on war, will be Cassel, it was learned from a reliable source today.

Cassel is 125 miles northeast of Coblenz and on the direct route to Berlin.

The army would move forward on a 37-mile front, and its officers are confident the Americans could cover the entire present neutral zone in the first day if hostilities are resumed. The army of occupation was astride today with preparations for war. Troops east of the Rhine were moving to strategic positions for a quick dash forward.

The First and Second Division, it was said, will lead the invasion. The First was mobilized at Montabaur, 10 miles northeast of Coblenz, while the Second had left Neuwied, eight miles northwest of Coblenz, and was moving up the Lahr valley. The Seventeenth Field Artillery moved from the fortress of Ehrenbreitstein and was taking up positions in the concentration zone.

Signal Corps men were stringing new wires along the roads, and observation balloons were moved up to the edge of the occupied area. The doughboys again were sleeping in the open, and the flicker of their fires at night recalled the old pre-armistice days.

After the Concert see Mickey.

MANY DISAPPOINTED AT FAILURE OF BIG PICTURE

A large number of people who were anxious to see the Unpardonable Sin which was booked for Friday at the Pastime Theater were greatly disappointed that through a misunderstanding the picture failed to arrive. This is an exceptionally fine picture and many had planned to see it.

Representatives of the Federal Agricultural board and the State Board together with County Agent George Kirk, will today and tomorrow visit many of the members of the boys and girls' clubs throughout the county inspecting their work and creating new interest in the work.

The younger set gave a dance Thursday evening which was attended by a large number of youngsters not only of Maysville and Mason county but from other sections. The dance is said to have been one of the biggest events of the season among the younger set.

FIRE DEPARTMENT DID GOOD WORK ON FIRE

The Maysville Fire Department is being congratulated upon the splendid work they did Friday morning in confining the Coughlin stables fire to the two buildings. In such a narrow alley and inasmuch as the fire had such a headway before they arrived on the scene, it is wonderful that the department was able to confine to the two buildings.

The order of exercises which this school wishes to follow this summer is as follows: Begin at 9:30 a. m. with fifteen minutes devotion. Classes in the study of the lesson from 9:50 to 10:20. IT'S SURPRISING

That So Many Maysville People Fail To Recognize Kidney Weakness.

Are you a bad back victim? Suffer twinges; headaches, dizzy spells? Go to bed tired—get up tired? It's surprising how few suspect the kidneys. Kidney trouble needs kidney treatment. Doan's Kidney Pills are for the kidneys only. Have convinced Maysville people of their merit. Here's a Maysville case; Maysville testimony. Kidney sufferers hereabouts should read it.

Miss Dora Edgington, Wood St., says: "I have used Doan's Kidney Pills and from the results received, I have every reason to recommend them. At times my kidneys have become weak and have been irregular in action. My back has ached, too, and has been very weak and lame across my kidneys. When I have used Doan's Kidney Pills for this trouble, they have never failed to relieve the complaint in a short time. I gladly advise anyone to get a box of Doan's Kidney Pills at Chasler's Drug Store, if troubled in that way." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that M. S. Edgington had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
